

# WELLS PTA ANNUAL WRITE-A-CHECK CAMPAIGN

Dear Parents,

PTA is once again starting its annual Write-A-Check Campaign. This year we are offering several fundraisers throughout the year, including Write-A-Check. We know from previous years, many of you prefer to support PTA with the ease of Write-A-Check. We also realize that many of you prefer to participate in other fundraising activities. Our goal is to involve everyone and offer several options for you to choose from while contributing to your child's education through PTA. **Write-A-Check allows 100% of your contribution to stay at Wells and is tax deductible.** The other fundraisers we will offer allow various percentages of funds raised to stay at our school.

Your support enables PTA to fund many activities for the students:

- School field trips
- Programs brought in for school assemblies
- Provide snacks during TAKS testing – new this year!
- Grade level parties
- Fun and Field Day t-shirts – new this year!
- Fun and Field Day snacks

PTA also provides funding for many of enhancements to Wells which benefit students:

- Library books
- Audio/Visual equipment
- P E Equipment
- Art and Music materials

We hope this year to develop a strong school community bringing teachers, parents and students closer together. PTA will sponsor Picnic in the Park, Family Dinner Night (new this year) and the Wells Campout. We have listened to your suggestions and are expanding the activities for the Multi-Cultural Event in the spring.

PTA works very hard during the year providing activities and events to enhance your child's education at Wells; **we need your help.** The cost of providing these activities can be as much as \$40 per child. Please consider making an investment in your school this year through Write-A-Check or other fundraising activities - any amount you give is truly appreciated.

Thank you,  
Wells PTA
